Plant for the Bees

April 22nd 4:00 - 5:00 PM. Celebrate Earth Day early by painting clay pots & planting wildflowers for the Bees! A perfect event to learn about the importance of our environment!

CRP Saves

April 28th 6:00 PM. This is the story of two friends who met when Darryl was in cardiac arrest on the street and Carrie (an off duty nurse) stopped to do CPR. A chain of events was started and after being on the national news and attending many awards ceremonies, they have told their touching story and taught layman's CPR to over 1,000 people in all stages of life. The CPR instruction is the basics, and you will not be certified.
